Karen Golden has been named sexual assault nurse examiner coordinator at Day

One. Golden is responsible for working with nurses and medical staff statewide to improve the collection of forensic med-

ical evidence in sexual assault cases and for providing care and support for sexual assault survivors in local hospitals.

Kathryn Holt has been named law enforcement advocate at Day One. She was previously correc-

tional recovery academy counselor at Spectrum Health Systems in Concord. Holt is responsible

for providing immediate services to victims of sexual assault and domestic violence in Warwick. She has an M.A. in forensic psychology from Marymount University.
