Job Description

TITLE: TTEAM Clinician

GENERAL SUMMARY: Under the direct supervision of the Director of Clinical Services, the TTEAM Clinician provides home and community based assessment, treatment planning and Trauma-Informed therapeutic intervention for high-risk children with complex trauma, referred by the Department of Children, Youth and Families. Multi-lingual experience beneficial.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

1. In conjunction with the Director of Clinical Services agreed upon policies and procedures in accordance with stated goals.

2. Provides thorough trauma evaluations utilizing evidence-based assessments.

3. Creates an individualized treatment plan with the child and non-offending caregivers to meet goals in child’s natural environment (including school. Extracurricular activities and daily living activities).

4. Coordinates multi-disciplinary team meetings with DCYF, school staff, caregivers and other invested partners in the child’s health and healing.

5. Facilitates referral and aids in transportation for child and non-offending caregivers to Trauma-Informed counseling.

6. Provides non-offending caregiver education on the impacts of sexual abuse and complex trauma to home and invested community partners.

7. Completes initial intake with DCYF

8. Attends all CAC meetings of CSEC MDTs when applicable.

9. Assists and participates in trauma-informed clinical trainings throughout the state of Rhode Island

10. Provides advocacy services when necessary.

11. Completes all data entry in the Client Tracking Database for intakes completed/appointments.

12. Documents all services provided in the Client Tracking Database.

13. Develops and maintains good working relationships with the Attorney General’s Office, DCYF, police, courts, hospitals, mental health, schools and social service agencies.

14. Communicates effectively with the Management and program staff to ensure the continued successful operation of all programs.

15. Acts in a way that demonstrates cultural competency and value of diversity.
SKILLS AND ABILITIES REQUIRED:

1. Master’s level clinician in Counseling or related field; license preferred. Multi-lingual skills beneficial.

2. A high level of interpersonal skills to provide assistance to victims and to deal effectively with all segments of the community.

3. Organizational and analytical ability to deal with difficult human and administrative problems and multi-tasking.

4. A basic understanding of issues related to sexual assault, sexual abuse and domestic violence and the impacts of trauma on brain, body and spirit.

5. The ability to deal effectively in stressful situations and to handle crisis as they arise.

6. Clean driving record, proof of auto insurance.

7. Telehealth experience.

WORKING CONDITIONS:

2. Successful completion of the next advocate training.

MINIMUM EDUCATION AND EXPERIENCE REQUIRED:

1. Master’s Degree in counseling or a relevant field, considerable experience in responsible position in relevant field, and/or any combination of education and experience that is substantially equivalent.

2. Experience working with abused children, DCYF and other community partners.

3. Knowledge and proficiency in Excel and Microsoft Word.
