

# Care to Cook

**Please consider providing a meal for the 15 teenagers in our  
*be.* program!**

**Meals may be Home Cooked or Catered**

## **What is *be.*?**

*be.* is an empowerment program designed to combat the commercial sexual exploitation of children (CSEC) in Rhode Island by providing an opportunity for youth to positively engage in the community, believe in themselves, and develop strong, healthy relationships.

## **Why do we need meals?**

Many of the youth who are involved in *be.* do not have a home life that allows them to share meals at a table with their families. A weekly dinner at *be.* provides an opportunity for youth to have a family-style meal where they can talk about their day or week in a safe space.

## **This is a great opportunity for you to:**
